

PEAK PERFORMANCE POLICE TRAINING

16-hour Basic Leadership course brief

Police leadership is extremely important and needed throughout America's police agencies.

This 16-hour course will explain the history of leadership in policing as well as leadership styles and getting the most out of your fellow officers. This course also provides many scenario based activities to assess while problem solving.

This course is informative, interactive and scenario based. This instructor lead audio and video presentation is used to teach all levels of policing from rookie to veteran.

Course taught by Prof. Douglas Miller
Deputy Chief (Ret), MSCJ
